

The latest information we (SWR) have is that disruption on services in the Hounslow, Barnes Bridge area due to urgent repairs being carried to Barnes Bridge, is expected to continue until the 4<sup>th</sup> December. This means that trains are still unable to run between Feltham and Barnes via Hounslow.

Until further notice the following alterations will be necessary:

- London Waterloo to London Waterloo services via Hounslow and Twickenham will be cancelled.
- London Waterloo to London Waterloo services via Twickenham and Hounslow will terminate at Hounslow.
- Additional services will run from Hounslow to London Waterloo at XX:10 and XX:40, calling at Twickenham only.
- London Waterloo to Weybridge XX:22 services will be diverted via Twickenham, calling additionally at Twickenham.
- London Waterloo to Weybridge XX:52 services will run as scheduled to Barnes and will then call at all stations between Twickenham and Kew Bridge, where they will terminate.
- Weybridge to London Waterloo XX:03 services will be diverted via Twickenham.
- **Chiswick and Barnes Bridge will not be served.**

Tickets will be accepted at no extra cost on the following services

- TFL buses between Feltham and Barnes via Hounslow.
- London Underground via any reasonable route.
- London Overground between Richmond and Kew Gardens.
