

23 June 2023

Dear Parent/Carer and Student,

Goodbye Year 13, Class of 2024 - and Results Day Arrangements

It is with immense pride we bid you farewell - but not goodbye. You have been an incredible Sixth Form group that has shown leadership, adaptability and resilience. It has been a pleasure to see you mature and develop into young adults who have the capacity to go out and take charge of your life - as well as making change in the world around you. The final celebration assembly highlighted some of those amazing memories that we hope stay with you. We are sure you are delighted that the final examination period is either completed or nearly finished; we hope that you can now enjoy a well-deserved break. We know we are still going to see some of you supporting school events like the Track and Field Championships or Summer Arts; we thank you in advance.

Alumni

You will always be an Isleworthian, and we will always want to know how you are doing. We are looking into new ways that we can connect with our former students. With this in mind, Mr Adams (Careers Advisor) would appreciate if students could complete this Alumni Registration Form (sent via email) which allows us to stay in touch. We value all the journeys undertaken by our Isleworthians - we use your stories, regularly, to inspire our current students. Going forward, we welcome the chance for you to connect with us again, be that as a speaker to a class or year group; a work placement; or many other opportunities. Please keep in touch so that we can continue to celebrate your journey.

Capturing Parent/Carer Feedback

To the parents/carers, thank you for entrusting your son/ward/daughter to us. Please complete the simple survey sent via email to capture any highlights and thanks to individual teachers and/or subject areas. We will pass on any messages.

We very much look forward to seeing you on Results Day, which takes place on Thursday 15 August. Please read the information on the next page.

In the meantime, we wish you the best health and happiness and urge you to be the best that you can be. Remember, you will always be an Isleworthian - and *Finis Coronat Opus*.

Yours faithfully,

Simon Fisher

Level 3 Results Day, Thursday 15 August – Arrangements

The school will be open from 8.30 - 11.00am for you to collect your examination results, as well as receive advice and guidance on your next steps. Any results not collected by 1.00pm on 15 August will be sent home by first class post.

If a student is unable to attend in person, they must nominate an adult to collect them by emailing Mrs Culling. This nominated adult must bring a proof of photographic identity on the day. Please note that we cannot provide results by email or over the phone. Students cannot pick up results for anyone but themselves.

Any Year 13 student who re-took GCSE examinations can collect their results on Thursday 22 August between 10.00am and 12 noon.

Post-Results Services

Examination boards offer a range of post-results services. These include seeing your examination script or requesting a review of results for the examination(s) if marks are close to the next grade up. Priority services are available to students whose university places may depend on the outcome of a review of marking. There are fees associated with these services which are payable by students. Details will be on the back of your results sheet on Results Day; you can discuss this with Mrs Culling on Results Day.

Examination Certificates

These will arrive in school during November. Schools are advised not to post certificates home as they are important documents. You must, therefore, collect your certificates from school in person by the end of January 2025. We will inform you by email when the certificates have arrived at school.

Schools have the right to destroy uncollected certificates which means you would have to order and pay for replacements direct from the examination boards. The current charge is approximately £60.00 per certificate.
