

22 August 2024

Dear Student & Parent/Carer,

Year 12 Induction

Congratulations! We are delighted to confirm your place at Isleworth & Syon Sixth Form. To ensure Year 12 students are ready to commence Sixth Form, they are expected to have completed induction work for each subject they have chosen.

Induction work can be found on the Sixth Form Independent SharePoint page in the folder entitled 'Year 11-12 Summer Transition Resources'. These materials can also be found on the sixth form independent share point page in the Year 11-12 transition resources folder. The link to the resources is also [here](#). Please select the subject folder to access the materials. You need to evidence completion of work in the first lesson in September for each subject chosen. Please also read the dress code on the reverse of this letter in preparation for starting sixth form.

Now that you have completed your enrolment into Year 12, below is a few important pieces of information.

Start of Term – Induction and Normal Lessons

Students will attend induction sessions on **Thursday 5 September, 8.25am - 1.00pm**. These sessions will outline the plan for the Autumn Term and help students prepare for the demands of Key Stage 5 courses.

All students return to full timetabled lessons on **Friday 6 September**. Students come in for registration at **9.30am** ahead of lessons starting at **9.40am** (period 2).

Please note that attendance to the above dates is compulsory; if you are absent without an authorised explanation, we will assume you have given up your place in the Sixth Form.

Sports Qualifications

If you have enrolled onto the vocational sport course (CTEC), you are required to wear school crested sportswear that is available to purchase through our online [PE shop](#). Please note that tops and jumpers/hoodies that are not school-branded are not allowed to be worn as school kit, except for plain black tracksuit bottoms or shorts. In the event your garments have not arrived by the start of term, please wear your suit to lessons.

If you have any queries or questions regarding information in this letter, please email me via jdoyle@isleworthsyon.org.

Yours sincerely,

Mr J Doyle
Assistant Headteacher - Sixth Form Leader
