Word of the Week-8

ISLEWORTH &
SYON SCHOOL
FINIS CORONAT OPUS

Definitions :

1: having a useful and helpful effect rather than being negative or with no purpose *(all subjects)*

constructive

Etymology and historical meaning of the term constructive :
Mid 17th cent. (in the sense not obvious): from late Latin *constructivus*, from Latin *construct-* 'heap together', from the verb *construere*, from *con-* 'together' + *struere* 'pile, build'.

Used in a sentence:

•*His work involved helping disruptive students to use their energy in a constructive way.*

•*The teachers encouraged students to use the constructive feedback to improve their work.*

•*You should always welcome constructive criticism of your work.*

.

CONSTRUCTIVE FEEDBACK
